Self Assessment

Tristan Morgan's tax return: 2025-26

Submit your return

Based on your 2025 to 2026 tax return, the way you do Self Assessment is changing

There's a new way to report your income if your total turnover from self-employment and property is above £30,000. It's called Making Tax Digital for Income Tax.

From April 2027, you'll need to use compatible software to create digital records, send quarterly updates and submit your tax return.
